

# CARPENTER HOTEL

## GUEST ROOMS

Carpenter Hotel evokes an easy time in Austin full of fresh air, Texas sunshine, and days spent lazing by the water with a book. Ample opportunities for exploring Austin's natural splendor are short walks away—the green expanses of Zilker Park, the legendary waters of Barton Springs, or the meandering Green Belt.

On-site, you have everything you need to tune-in or tune-it-all out.
